Weir, Mike	Williams, Betty	Williams, Hywel	Willis, Phil
Willott, Jenny	Wilson, Sammy	Winterton, Ann	Winterton, Nicholas
Wishart, Pete			

That this House is dismayed that the Government has not ceased the practice of maintaining a discriminatory differential in UK state pensions, dependent on the country in which the recipient resides; acknowledges that the Government has stated that there is no legal reason to do so; and calls upon the Government to cease the practice of freezing some overseas pensions and to provide the 525,000 affected recipients resident abroad with pension parity.
